CONGRATULATIONS MESSAGE

Dear All,
Om Gurudev !!

We are glad to facilitate all of you about Spiritual Tour which was successfully organized by you at your specified area. It was really a peaceful environment for all of us where we really found the heartfelt interest of devotees in satsang.

The God of entire universe (Vishwatmak) who himself resides in everyone's heart, and to realize his existence into one's heart, the process of Meditation is only the super highway. This is the teaching of our loving Sadguru Param Pujya Vishwatmak Om Gurudev (Babaji).

We pray at the holy feet of Vishwatmak Om Gurudev to bless all of us with this **Divine knowledge of Soul**, which in turn will make us to understand and fulfill our main goal of life. We also pray at his holy feet to organize many more satsangs during foreign tours which will be arranged in the nearby areas so that this knowledge of Soul (i.e., Atma darshan, divine soul) can be made available to many people.

We at Vishwatmak Jangli Maharaj Ashram Trust are looking forward for your **views, reviews, feedback** and valuable **inputs** during this spiritual tour so that we would be able to build a best credible Spiritual information center for **Spiritualism, Meditation & Yoga**.

Thank you so much for your extended support & participation with us so far and we pray to **Almighty** to bless us all to have such organization of spiritual tour again in coming days.

On Behalf of Vishwatmak Jangli Maharaj Ashram Trust
Om Gurudev
Permanand Maharaj
